

Manitex Liftking ULC, Welcomes Larry T. Weiss Company Inc.

Larry T. Weiss Company Inc. signs dealer agreement with Manitex Liftking ULC, manufacturer of rough terrain forklifts and Lowry cushion tire industrial forklifts.

Manitex Liftking ULC specializes in producing straight mast rough terrain forklifts, ranging in sizes from 5,000 lbs. to 44,000 lbs., supporting the markets of construction, agriculture, rental, lumber, oil and gas, mining and Lowry heavy lifts in the industrial sector.

Larry T. Weiss Co.'s corporate offices are located in Elkridge, Maryland, with a parts depot located in Frederick, Maryland. They also have an extensive fleet of service trucks that combined can provide the full "after the Sale" service to their current and new customers.

Manitex Liftking ULC is very excited about this new partnership with Larry T. Weiss Co. introducing their rough terrain and cushion tire material handling solutions in the suburbs of Baltimore, Maryland and feel this will be a great fit and opportunity to put more Manitex Liftking product in the construction and industrial sectors.
