

Manitex Liftking Partners with Welch Equipment Company

Welch Equipment Company Inc. signs dealer agreement with Manitex Liftking. Welch Equipment Company has 4 locations that will help Manitex Liftking grow their market share in Albuquerque NM, Colorado Springs, Denver Co, and Salt Lake City UT as well as resident technicians in Wyoming and Montana

Manitex Liftking, manufacturer of 5,000lb – 67,000lb Rough Terrain Forklifts and 20,000lb – 45,000lb large capacity cushion tire industrial forklifts, specializes in serving North American construction and rental equipment markets with a new product launch targeting the Ag industry.

Manitex Liftking is looking forward to their partnership with Welch Equipment Company, the Rocky Mountain leader in Material handling solutions, as Welch equipment has created a Specialty Product Team to focus on the rough terrain lifting industry. Welch Equipment is located in the heart of the Rocky Mountains so it provides an excellent fit for the Liftking line.
